8. Public Transportation

The **Horários do Funchal** bus service offers quick access to Funchal through its urban and interurban services. In the center of Funchal, the environmentally friendly minibuses with access for people with reduced mobility (Eco Line) are a practical way to get to know the different areas of Funchal. These buses do not have predefined stops, so you can order them to stop to enter or exit anywhere in the capital.

Multi-day tickets are valid for any urban service career, with no travel limit, from the date of first validation and have the following prices:

- 1-day ticket – €5.00
- 3-day ticket – €12.00
- 5-day ticket – €17.00
- 7-day ticket – €22.00

9. Rent a Car

Rent a Car is one of the options for transport on Madeira Island. With an uncomplicated rental service accessible to all types of customers. All you need is an identification card and a driving license
